

PYRO-GUARD®

Curtis Lumber & Plywood and Hoover Treated Wood Products provide you with the best fire-retardant-treated wood (FRTW).

- / Extensive inventory of Pyro-Guard® & Exterior Fire-X™ FRTW
- / Lumber, plywood, FSC, EWP, and other specialty wood products
- / FRTW is ready for delivery to your store or to your project
- / The largest portfolio of UL® listings for interior and exterior FRTW
- / Warranty has no fine print and follows the building owner
- / Treating Service Only (TSO) always available
- / Since 1988, Pyro-Guard® exceeds all building code requirements
- / Pyro-Guard® is the only FRTW with a UL® Evaluation Report
- / Pyro-Guard® is the only FRTW tested and listed by UL® to NFPA 285
- / Pyro-Guard® UL® Design No. V314: the first FRT lumber and plywood 2-Hr exterior wall assembly
- / All Hoover FRTW conforms to the EKOC 3.14 standard
- / FRTW questions? Answers: 1-800-TEC-WOOD

Together, we don't follow the market. We lead it.
